Ebook File Details:

Review: I was enjoying it for the most part and the personal experience of the author remaining in such a silly place imagining they were worshiping god, was a good read. Mainly, it just seems a bunch of people are following a fraud and someone who does not make much sense or believe anything biblical or christian. I was interested mostly in the part of...

Description: What if everything you believed to be true, everything you had built your life upon, was a lie? What if discovering the truth and turning from error cost you everything? The View Beneath is the true story of one woman's journey into religious deception through the teachings of Rick Joyner, a spiritually dangerous leader that many consider a true prophet....
